

Old People Need To Know

Psychological assessment - dying person:

paralyzed, narcosis , no more energy

1. Exhaustion due to the feeling of emotion emitted.

Use: (air circulation - martial arts)

<http://rescuepeopleassaint.com/rescuing-humans.html>

2. Exhaustion due to the diarrhea no medicine.

Use: medicine for diarrhea

3. Exhaustion due to the malaria no medicine.

Use: medicine for malaria, 2 telenol tablets every 4 hours anti-malaria

4. Increase energy.

Use: a glass of apple juice

Apply all 4 to save the dying person by martial arts, anti-diarrhea, anti-malaria and energy water.
Talent comes to save life and death.
